SUMMARY: Excerpt from the game Positively Princess. This was developed at the game company Pocket Gems. The writer's room consisted of myself and three others. I wrote the script with a co-writer. Download the game [here](#).

RECAP: The user is a waitress who can't afford to go to college. A handsome stranger named Dalton saves the user from an old high-school bully. He says that he's been looking for her. He tells her about the Kingdom of Ilandria where a tyrant named Craxis threatens to take over. They are looking for the Princess who was kidnapped as a baby to save Ilandria.

DALTON

If the TRUE Princess ascends within thirty days, Craxis can be banished!

DALTON

It's you, [USER_NAME].

DALTON

You are the lost Princess of Ilandria!

USER_NAME

What!? That's CRAZY!

DALTON

But it's true-- and you're the spitting image of Queen Jessica.

[START SELECTION]

- A. Why should I believe you?
- B. How did you even find me?
- C. What do YOU have to do with all this?

[Selection A]

[USER_NAME]

How do I know you're not lying?

[USER_NAME]

Maybe you use this story on ALL the girls.

DALTON

If you don't believe me, walk away.

DALTON

But I think some part of you knows it's true.

[Selection B]

[USER_NAME]

But if this is true, I've been missing for years.

[USER_NAME]

How did you even find me?

DALTON

Someone who wants to keep Craxis from the throne sent me an anonymous tip that you were here in the States.

DALTON

Turns out the people who had you were trying to protect you from your family's enemies all along.

[Selection C]

[USER_NAME]

I don't understand-- who are you in all this?

[USER_NAME]

Are you Ilandrian, too?

DALTON

No. But I want to protect your country from Craxis.

DALTON

No one should have to live under her reign of tyranny.

[END SELECTION]

DALTON

But now that you're royalty, you need to hold on to who you are.

DALTON

Don't let it change you, Princess.

[USER_NAME]

You can help. Promise me you'll always call me [USER_NAME].

[USER_NAME]

Not "Princess."

DALTON
That's against the rules.

[USER_NAME]
Something tells me you don't follow the rules, Dalton.

DALTON
No, [USER_NAME], I don't.

DALTON
Tomorrow, your whole life changes.

DALTON
But tonight, we can still be just you and me. No titles.

[USER_NAME]
You're not coming with me?

DALTON
I'll bring you to the palace, but forces may conspire to keep us apart.

DALTON
Which is why I don't want tonight to end-

DALTON
Spend the night with me, [USER_NAME].

DALTON
Just us, *alone*, under the stars.

DALTON
We may *never* have this chance again.

[START SELECTION]

- A. *Spend a sexy night with your hero! (20 Gems)*
- B. Go home alone.

END SAMPLE.
