

OUTLINE: SEASON 1 SAMPLE (4 EPISODES OF 12)

SUMMARY

This is a fantasy romance outline that I wrote for Voltage Entertainment. I have included the first four episodes of Season 1. It takes place in present-day Las Vegas. Yvette is a wealthy villainess who is cursed. She cannot touch any living being without turning them to ash. Each scene is ~640 words in the app. Download the game [here](#).

Episode 1

Scene 1: The protagonist (MC) accidentally spills food on Yvette and tries to clean it off. Yvette stops MC from touching her skin (Forbidden Romance CG). Yvette flirtatiously introduces herself and talks about breaking the rules.

Scene 2: Later, MC chats with her Mom. She pushes MC to return to med school even though MC feels lost and doesn't want to become a doctor. MC daydreams about Yvette.

Scene 3: A couple of days later, MC spots Yvette with a group of frightening men. MC follows them, committed to saving Yvette when she overhears Yvette giving orders to the men.

Episode 2

Scene 1: MC realizes that Yvette is in charge and that she misread the situation. She tries to run but gets caught.

Scene 2: Yvette smiles flirtatiously at MC and "kills" one of the men

Scene 3: MC is shocked and confused. She realizes that the man seems fine despite the fatal sword blow. Yvette reveals that she's an illusionist at a circus and invites her to the show.

Episode 3

Scene 1: The next night, MC is at the show. It's amazing. The illusions seem impossible. A jerk is in the audience, and Yvette volunteers him for the show. The crowd wants to punish him, but MC can see he's frightened and volunteers herself instead.

Scene 2: Yvette smiles and does a daring illusion with MC, almost touching her. The crowd goes wild, and then the lights go out. Yvette takes MC's hand with her gloved hand and tells her that she's not done with her yet.

Scene 3: A few moments later, they're at a casino. Yvette is throwing down more money than MC has ever seen. Yvette helps MC win, but she has won too many times at this casino. The security guards chase them, and Yvette throws a bunch of cash in the air so they don't get caught. Yvette tells MC that she's going to be seeing a lot of her and runs her gloved finger over MC's arm. MC feels a slight heat on her arm long after Yvette is gone.

Episode 4

Scene 1: Mom brings in a vase of flowers for MC from Yvette and is beside herself. It is the third extravagant gift that she's sent. It comes with a note to meet her at a restaurant that night.

Scene 2: At the restaurant, Yvette is finishing up business and gives orders to a woman that makes MC uncomfortable. The woman snarls at her, but Yvette puts her in her place and has the woman leave.

Scene 3: MC wonders if the interaction with the woman was illegal. Before MC can ask questions, Yvette turns to MC and is incredibly flirtatious. MC thinks she knows where this is leading and leans in for a kiss.

END SAMPLE

USER REVIEWS: YVETTE IN SIN WITH ME

SUMMARY

The sample is the first four episodes of Season 1. In total, there were 7 seasons. Here are a few of the most liked user reviews for the game.

I've waited up countless nights to read Yvette the moment her stories come out, she's been that incredible to me. I'm going to miss her, probably more than any other LI, even my namesake. I really felt a connection to Yvette because her story (though fantastical) felt real in how messy and difficult every victory was. Often life feels like a series of glimmering moments where you're worried the other shoe is going to drop. Yvette had that in SPADES! I felt for her and MC. I wanted them to win. God, I'm gonna miss her. I might pick up fanfic again just cause I can't let her go. One of the best characters on this app.

~All Hail Helena Klein

I miss her already, but her route was so amazing! And I really loved how the other characters weren't squandered. We really got to see the team be a family and interact with each other. I'm just so happy and satisfied with this route!

~Seeker

Yvettes route was a roller-coaster. but in a good way! I'm absolutely in love with this women forever and always! thank you everyone who worked on her route from beginning to end. it was absolutely magnificent and i will miss her so so much I will always remember her route as one of my favorites ♥

~Guinea

*Yvette's route keeps improving with each season, and seeing her being able to live out her life with the ability to touch is incredibly heartwarming. Seeing her bond and raise Acacia with MC is the most wholesome thing ever. And of course, those intimate scenes were *chef's kiss* perfect.*

~Wrath's Girl
